PROSPECTUS

FOR ADMISSION TO ALLIED AND HEALTH CARE DIPLOMA COURSES

FOR THE ACADEMIC YEAR 2026-27

Introduction and History

“**A.K.G Co-operative Institute of Health Sciences**”, a unit of Kannur Co-operative Hospital Society Ltd.No.C-834 ,was envisioned and established in September 2017 as a memorial of Com. A.K.Gopalan (AKG).

Adequate Infrastructure facilities as per the norms of statutory bodies viz, Director of Medical Education, Kerala and the use of modern educational technologies in the teaching - learning process are the salient features of our institution.

The Govt. of Kerala and the management of Kannur Co-operative hospital Society limited No.C 834 arrived at a consensus agreeing to the criteria of allotment, sharing of seats and fee structure, for the allotment of students to the courses conducted in our institution. Accordingly 50% of the total seats will be filled up by the Govt. in accordance with the merit and reservation principles followed by the Govt., 50%of the total seats(Management quota) will be filled up from the list of the candidates who are eligible as per the prospectus and application forms received against the notification by the Management directly in accordance with the merit in qualifying examination.

This prospectus sets out the rules and regulations for selection and admission to the management quota seats for the year 2026-2027 and is subject to modification/ addition/deletion as may be deemed necessary by the management and subject to the Govt. orders.

Motto :

"Exploring new horizons in health care"

Mission :

We have formed this institution with the sole intention of excelling our students in the health care service and serving the mankind in a noble way. We ought to direct the students in a systematized approach towards their profession and to make them positively influence the community. We will provide the students with the skills needed to make an appropriate decision contributing to the lifelong wellness of the people. We forge to serve the community by ensuring

equal access to all irrespective of any bias.

Vision :

Our vision is to render a continuously evolving academics which reflects current research and utilize advanced technology. We seek to maintain a golden standard in the health care system and advance our commitments to excellence in a disciplined and well organized manner. We aspire to bring about an overall positive change in the health care system and provide knowledge in respect to people's health throughout all stages.
